PERSONAL ITEMS LIST FOR 2025

Attached, you'll find the recommended list of personal use items (booklist) for the upcoming school year, essential for maximizing learning opportunities. These resources have been carefully chosen by our teachers to ensure that every student has the right stationery for effective participation. Students will be responsible for their own personal items as required for each subject (files, pens, calculator, etc) and these may need to be replenished throughout the year.

While all items are conveniently available through Champion, you are not obligated to use this supplier. To place orders, please visit www.champion.com.au and complete your order by Friday 6th December 2024, using the provided code KT66 (instructions are on the front page of the booklist). Your order will be home delivered by 28th January 2025 for \$8.00, if placed on or before 6th December 2024. For further clarification, feel free to email us at bullsbrook.college@education.wa.edu.au.

SECONDARY CONTRIBUTIONS AND CHARGES 2025

Under SECTION 99 of the School Education Act 1999, charges apply to all courses in Years 11 and 12. These charges are, and always have been, **COMPULSORY**. Please note carefully the charges applicable to each course. Some are more expensive than others due to the cost of materials and resources.

P&C VOLUNTARY CONTRIBUTION

Each year the P&C endeavours to provide the school with education resources that further support the work of the School and contribute to the wellbeing of each student. Recent additions provided by the P&C include refrigerated drink bottle refilling stations and table tennis tables. This is in addition to operating the School Canteen for the benefit of all students. Bullsbrook College P&C make it easier for all families to contribute equally by setting a sum of **\$40 contributions per family per year**. Our P&C volunteers may also undertake additional fundraising activities during the year.

LIBRARY CONTRIBUTION

The **\$10.00** Library Contribution is a Voluntary Request for students in Years K-12. Funds collected from Library contributions are used to purchase new resources for the Library and therefore benefit all students.

If your child nominates to participate in an off-campus fee for service course, they may be charged a cost of up to \$10,000 for their certificate course and any other associated fee/licence/screening, etc. To secure your child's placement, a \$500 deposit is required to be paid to Bullsbrook College on acceptance, with 50% of the balance due by the end of the school year. The final balance of course fees must be paid prior to commencement of the course.
